REVISED CUSTOMER NOTICE

for a

Permanent Rate Increase

W-02068A-11-0471

On December 27, 2011, Eden Water Company filed an application with the Arizona Corporation Commission (ACC) seeking a permanent rate increase. Eden's current base rates were authorized by the ACC in Decision No. 59261 (dated August 30, 1995), and went into effect September 1, 1995. Eden was subsequently granted an emergency rate increase by Decision No. 72054 (dated January 6, 2011), with the interim emergency surcharges authorized effective as of January 1, 2011. Below is a schedule showing Eden's current and proposed rates and charges. Current rates reflect Eden's current authorized tariff, with monthly minimum charges shown by meter size, and the commodity charge per 1,000 gallons usage. Proposed rates reflect the monthly minimum and commodity charges proposed by Eden in its rate application.
